LOGISTEED Cooperates with an Event of Railway Cars Transportation on the Road

LOGISTEED, Ltd. would like to inform that our Group company, LOGISTEED West Japan, Ltd. cooperated with an event project celebrating 85th anniversary of the municipal system of Kudamatsu City and the 50th anniversary of the foundation of Kudamatsu City Tourism Association, on April 27, 2024.

The project was carried out by transporting railway cars during the day-time, which is usually done at the night-time due to less traffic. It is for appealing nationwide the city as a "manufacturing town, Kudamatsu" where railway-related companies gather. This event was held for the third time in five years since 2019, and approximately 50,000 people including railway fans and families gathered along the street. The event began where the start ceremony held in front of the main gate of Kasado Works, Hitachi, Ltd. The cars were *EMU3000*, intercity express which will be used in Taiwan. LOGISTEED West Japan, Ltd. loaded the two leading cars onto the trailers and transported them approximately 3.3 km round trip between Kasado Works and the Kudamatsu Station.

Our Group will continue to contribute to make a world better place through communication with local community and our various stakeholders.

Ribbon cutting at start ceremony

Many railway fans and families gathered to watch the transportation
