## Matsudo Citizens Invited to Chiba Jets Home Game: Basketballs and Bibs Donated to 12 Elementary Schools in Matsudo City

LOGISTEED, Ltd. carried out a project to invite local residents in Matsudo City for the home game of Chiba Jets, belongs to the Japan Professional Basketball League (B League). In this project, we invited 1,000 people (500 on each day) for the game on November 9th and 10th, and provided them original megaphone. The match on 10th was held as a LOGISTEED-sponsored game, and children from Matsudo City participated in a shooting showdown at the halftime event. Additionally, our company has been sponsoring Chiba Jets' visits to elementary schools in Chiba Prefecture since this year, and we have donated 10 basketballs and 10 bibs to each of the 12 elementary schools in Matsudo City.

In 2019, Chiba Jets has launched JETS ASSIST, a social action project along with a slogan of *Begins with the support, Social contribution*. Since then, they have carried out various social contribution activities together with the local communities. In August 2022, they concluded the Boost Town Agreement on Comprehensive Collaboration with Matsudo City.

In November 2021, LOGISTEED concluded an agreement of a mutual collaboration for regional development and contribution through athletics with Matsudo City. We felt the same way with Chiba Jets' commitment of proactively engaging in community and social contribution activities through sports, and we became official partner to support Chiba Jets starting from 2023-2024 season.

LOGISTEED will continue to contribute to the creation of a better society through communication with local communities and other diverse stakeholders.
