Disaster Relief Aid for Turkey-Syria Earthquake

Hitachi Transport System, Ltd. would like to express our deepest sympathies to those who lost their lives and to those caused by Turkey and Syria earthquake.

We are going to donate five million yen through the Japanese Red Cross Society in order to help the victims and restore the affected areas.

Our group company in Turkey, Mars Logistics Group Inc., cooperates with local authorities and organizations to carry out support activities such as transporting emergency relief supplies to affected areas using its own transportation infrastructures.

We sincerely pray for the earliest possible recovery in disaster areas.
