## The 38th National Forklift Driving Competition Won in the General Division for 3 Consecutive Years

LOGISTEED, Ltd. is pleased to announce that forklift operators from the LOGISTEED Group (LD Group) won the first prize in the General Division for 3 consecutive years at the 38<sup>th</sup> National Forklift Driving Competition (organized by the Land Transportation Safety & Health Association) held on September 30 and October 1, 2023.

Through forklift driving, this competition is held for the purpose of raising the spirit of legal compliance and safety awareness, improving driving knowledge and skills, establishing safe work practice and prevent workplace accidents. In this year, 65 forklift drivers (50 in General Division, 15 in Women's Division) who won from each prefecture tournament participated in the competition and competed for knowledge and skills of the forklift operation. From LD Group, 8 forklift drivers participated in the competition, and Mr. Yuki Nakano from LOGISTEED West Japan, Ltd. took first place with a total score of 962 points in the General Division, and received Minister of Health, Labor and Welfare Award.

In order to raise awareness of safety, compliance with regulations, and improve the driving knowledge and skills of our drivers, our group has been participating in this event since its inception. We will continue our efforts to establish safe work practices and prevent workplace accidents.
