LOGISTEED Group Holds Expanded Global Business Meeting 2023

On November 7 and 8, LOGISTEED, Ltd. group held the Expanded Global Business Meeting (EGBM) 2023 at the LOGISTEED headquarters, Japan.

Started in 2010, EGBM is a yearly high-level global business meeting where top management from four overseas regions (North America, Europe, China and Asia) gather in Japan and discuss the Group's entire business strategies. In this year during the meeting, we had a lively discussion regarding business growth for the next Mid-term management plan LOGISTEED 2027, which is for our preparation of the Group's achievement of the Long-term vision, LOGISTEED 2030.

CyberFreight International and BosDaalen from the Netherlands joined the Group in 2022 and 2023 respectively, and in this year those two companies newly attended to the EGBM. Approximately 300 people participated in the meeting from all over the world, including Directors, Executive officers, Manager of overseas subsidiaries, Manager of each site and online participants.
