Notice of the Earthquake Revive Concert, Unites the Hearts, Unites the Power, Revitalization Concert Together with Everyone 2024 supported by LOGISTEED

LOGISTEED, Ltd. is pleased to announce that we will be a special sponsor of the Unites the Hearts, Unites the Power, Revitalization Concert Together with Everyone 2024 supported by LOGISTEED holding in Sendai, Japan on March 10, 2024.

The Sendai Philharmonic Orchestra has been supporting the victims of the Great East Japan Earthquake. They continue to perform memorial performances throughout the disaster-stricken areas. This concert, started with the purpose of supporting their activities, is now in its 12th time. The concert is held every year with the aim of passing on the memories of the earthquake and paving the way for a new era.

With the theme of *Revitalizing the Soul Through the Power of Music*, the concert is created by soliciting ideas from the general public. We have been sponsoring since 2022, supporting the recovery of disaster-stricken areas through the power of music, and we will continue to work together to create memorable concerts.
