## **LOGISTEED Track & Field Club Cooperated with Matsudo City's Spring Youth Running Class 2024**

On April 13, LOGISTEED Track and Field Club participated as a coach to instruct a class titled “*Spring Youth Running Class—Tips on how to run fast—*,” organized by Matsudo City, Chiba Prefecture. In October 2021, the club concluded a mutual collaboration agreement with Matsudo City, for regional development and contribution through athletics, and we have continued our initiative to revitalize the region through collaboration. We have been participating since the first year of the event in 2015, and we have continued to serve as instructors.

On the day of the class, 84 children from 3<sup>rd</sup> grade to 6<sup>th</sup> grade in Matsudo city participated. Our athletes and staff taught basic body movement for running and training method. It was pleasant weather with Japanese Cherry Blossoms in full bloom, the children worked hard on the training.

The Company will continue to contribute to the creation of a better society through communication with local communities and other diverse stakeholders.
