

## **LOGISTEED China, Ltd. Acquires CEIV Pharma at Shanghai Pudong International Airport**

LOGISTEED, Ltd. is pleased to announce that LOGISTEED China, Ltd., one of our group companies, acquired CEIV Pharma\*, a quality certification program for pharmaceutical international transport promoted by the International Air Transport Association (IATA) at Shanghai Pudong International Airport on October 2, 2024.

One of the key measures of medium-term management plan "LOGISTEED2024" is the evolution of smart logistics. We are working on strengthen and enhance our warehouse functions, and also respond to increased demand and changes in the environment by promoting the acquisition of CEIV Pharma certification and establishing bases that comply with GDP in pharmaceutical logistics. Furthermore, our group companies, including Cyber Freight International Holdings B.V. in the Netherlands, which joined our group in 2022 and has advanced knowledge in pharmaceutical logistics, are working globally to expand the pharmaceutical business through network collaboration. With the acquisition of certification at Shanghai Pudong International Airport, in addition to Narita International Airport, Kansai International Airport, and Hong Kong International Airport, we will further strengthen safe and secure pharmaceutical international transportation to build a higher quality supply chain.

\*CEIV Pharma: Abbreviation for The Center of Excellence for Independent Validators in Pharmaceutical Logistics. It is an air transport quality certification program for pharmaceutical formulated by IATA. A standard to ensure the safety, compliance and efficiency of temperature-controlled air transport of pharmaceuticals that conforms to GDP (Good Distribution Practice) around the world.
