

The LOGISTEED Group Receives Bronze Medal in EcoVadis Sustainability Assessment

LOGISTEED, Ltd. is pleased to announce that the LOGISTEED Group has been awarded the Bronze Medal in the sustainability assessment conducted by EcoVadis, a globally recognized provider of business sustainability ratings.

The EcoVadis sustainability assessment evaluates corporate performance across four themes: Environment, Labor & Human Rights, Ethics, and Sustainable Procurement. The Bronze Medal is awarded to companies ranked within the top 35% of all organizations assessed by EcoVadis.

We have identified "Implement industry-leading ESG management initiatives" as one of the priority measures in our medium-term management plan, "LOGISTEED2027." Under this priority measure, we are promoting a wide range of initiatives, including driving human rights due diligence to reduce and prevent risks, strengthening safety and quality by leveraging technology, and advancing our decarbonization activities.

In March 2025, we submitted a commitment letter to the Science Based Targets initiative (SBTi) and are working toward obtain certification under the Science Based Targets (SBT), a greenhouse gas emission reduction target consistent with the levels required by the Paris Agreement.

Under the corporate philosophy, "to deliver high-quality services that will help make the world a better place for people and nature for generations to come," the LOGISTEED Group strives to achieve sustainable growth by solving issues and creating values through various collaborative innovations.
